

THANK YOU FOR YOUR CONTINUED SUPPORT IN OUR 2018-2019 SEASON!!

Our September 1, 2017 to August 31, 2018 membership year is now behind us. The KGCL Board wishes to thank the following King's Grant residents who have supported the community. Your \$20 annual dues ensure the maintenance of The Triangle, Witt Park, and the Lynnhaven River frontage on Watergate Lane. KGCL hosts quarterly general meetings for members to attend, liaises with the City of Virginia Beach on behalf of members, publishes quarterly newsletters mailed to current members, and also shares correspondence about the League & neighborhood via our web site - KGCL.ORG.

The KGCL also acknowledges the generous \$1,115 in donations sent in by several residents. Dues pay our bills and allow the League to take on modest improvement projects while donations help with special projects like holiday lights, flags, and handouts at the 4th of July parade. We hope you know how much we appreciate your dedication to our wonderful neighborhood. For those of you who have already joined/ renewed for 2018-2019, we extend our heartfelt appreciation for your continued support. Thank You!

Welcome all new neighbors! We are accepting membership dues and welcome all non-current member's to support your all volunteer community league by becoming a member. Talk with your neighbors residing on your street. If they have not received our newsletter - encourage them to join!
